

Goals

Name _____

When Jesse and I first did this we identified goals for the same time frames but we did a time frame for each of the following-God, spouse, family, church, job. These are great things to keep in mind when doing this exercise but for this work related survey we are interested in your goals as they relate to your job-(both here at Westfall Horsemanship and away) and horses. Examples (how long you plan on being here, other interests you have-trainer, show, clinician, full time Westfall Horsemanship employee, writing, buying/selling horses, lessons, how family plans effect work)
